

Sprint 3 Report

Team: SMS

Actions to stop doing:

Our team is completely satisfied with our current process because we met on time to discuss our current tasks. We were also able to finish our tasks on time.

Actions to start doing:

Our team should schedule more sessions to get updates about what we're currently doing, and to get work done more effectively.

Actions to keep doing:

- Keep meeting with group to get work done more effectively.
- Keep communicating with group about the project so that we can get work done on time.

Work completed/not completed:

User story 1 completed:

to ensure we are getting data from our system

User story 2 completed:

Created a test script for our program

User story 3 completed:

Created a logo

User story 4 completed:

Added the line graph

User stories that are not completed: none

Work completion rate:
